

Come and Worship

Words and Music by
BEBO NORMAN and JASON INGRAM
Arranged by Mason Brown

NARRATOR: (*Music begins*) On that night when Jesus was born so long ago,
His coming was more than the fulfillment of ancient prophecies. When God entered
the world to live among us, to live as one of us, it sent this message to every searching,
frightened soul that has ever lived: There was no distance God would not tavel, nowhere
God would not go, no sacrifice God would not make to redeem us from our sin and have
a relationship with us. If you are still looking for answers today, hear the wonderful news
of Christmas: Heaven has come! Jesus is here! He is worthy of our worship and our praise.
